Waiver of Liability

I agree to comply with the bylaws and rules of the Southern Arizona Woodturners Association and will conduct myself in a manner that respects the safety of all members attending any function of the association.

I acknowledge that the association will have programs and demonstrations of woodturning, involving the use of power equipment and I recognize the inherent dangers associated with the use of any power equipment. In the event that I am an active part of any program or demonstration, I agree to use any equipment, whether belonging to the association, myself or others members, in a responsible manner and agree that use of any equipment shall be at my own risk.

I agree to hold harmless the Southern Arizona Woodturners Association and its officers and members of any responsibility and liability for any injuries or damage resulting from my presence at any meeting place of the association or from my use of any equipment in such meeting place.

I hereby declare that I, while attending any association-sponsored meeting, demonstration or other event will not use any power equipment while under the influence of alcohol or narcotics or any medication that would impair my ability to safely use the equipment.

It is understood that any person under 18 years old attending any association-sponsored activity must be accompanied by an member of SAZWA.

I have read and understand the bylaws of the Southern Arizona Woodturners Association and this waiver of liability and except them as a condition of membership.
